1: Rhino Post Safari Lodge Kruger National Park

Rhino Post Safari Lodge is situated on a 12,000-hectare private concession in the Kruger National Park. It is approximately 10km northeast of Skukuza Rest Camp. The concession shares a 15km boundary with Mala Mala in the Sabi Sands Game Reserve, with game moving freely between the two reserves and comprises of environmentally sensitive areas, previously unexplored, with a huge diversity of both fauna and flora.

The lodge is built on the banks of the dry Mutlumuvi riverbed using natural materials of stone, wood, thatch and canvas. Stilts raise the 8 spaciouly appointed suites along the riverbank, allowing views of the riverbed from your bedroom, bathroom and private deck. The suites are designed in an open plan style with wooden floors, thatched roofs, canvas walls and glass fronted doors and windows. Each en-suite bathroom includes a deep, freestanding bath, 'his and hers' basins, a separate toilet and an outdoor shower surrounded by wooden poles.

The raised walkways linking the spacious rooms to the main area, allows wildlife to walk through underneath, undisturbed by mankind.

It is advisable to arrive at Rhino Post Safari Lodge in the early afternoon, this will give you ample time to relax in your suite before enjoying a delicious high tea. After high tea you will depart on your first game drive at 16h00. Game drive safaris at Rhino Post are conducted in specially adapted open Land Cruisers, with professional guides.

In addition to the private wilderness concession, they make use of the Kruger public roads. The Kruger National Park has strict gate closing times (before sunset) for their rest camps and access gates. Rhino Post vehicles are however allowed to utilise certain public roads for night drives well after gate closing times. At sunset the game drive will stop for drinks while watching an African sunset, before continuing on into the night, spotting nocturnal animals. The Game drive will return to the lodge in time to freshen up and enjoy a drink before a sumptuous dinner on the deck or in the dining room. You will recount the day's events, all the while accompanied by the night sounds of the bush.

2: Plains Camp (Rhino Walking Safaris) Kruger National Park

After an early morning wake-up and an invigorating cup of fresh coffee or tea with muffins in our lounge, the game drive will begin. Midway through the morning you will stop in the bush for coffee/tea/fruit juice before continuing to look for Africa's finest wildlife. Upon returning to the lodge, enjoy a leisurely brunch and then transfer in open 4x4 game viewing vehicle to Plains Camp at 14h00.

Plains Camp is situated in the heart of the wilderness concession overlooking the spectacular Timbitene Plain and waterhole. Built in authentic pioneer tradition, it has the serenity of a 19th century naturalists rest, nestled in an Acacia Knobthorn thicket. Plains Camp has 4 comfortably furnished African explorer style tents, with en suite bathroom and hot running water and the African Wilderness right on your doorstep. The concession is an environmentally sensitive area previously unexplored, with a huge diversity of both fauna and flora – an ideal setting for wilderness walking safaris in an internationally renowned Big 5 area.

After settling into your tent and exploring the camp, high tea is served followed by a brief on the 'do's and don'ts' of bush walking by your guide.

Rhino Walking Safari guides meet the stringent requirements of the South African National Parks and senior guides hold the highest guiding qualification possible in South Africa. After the brief, you will depart with your 2 armed guides for an introductory walk, returning to the vehicle in time for sundowners and enjoying a short night drive before returning to camp.
