1: Rhino Ridge Safari Lodge Hluhluwe iMfolozi Park

Rhino Ridge Safari Lodge is within a 3.5hr drive from King Shaka International Airport Durban and a 1hr 30min drive from Richards Bay Airport. It is situated on the western boundary of Africa's oldest proclaimed Game Reserve Hluhluwe iMfolozi Park, Northern KwaZulu Natal. Rhino Ridge Safari Lodge is the only private lodge within the park. With its four star accommodation, guests are offered spectacular scenery and excellent safari opportunities within the heart of Big 5 territory.

On arrival at Rhino Ridge Safari Lodge you will be greeted by a refreshing drink and welcomed by our friendly team who will give you a short orientation of the lodge and its facilities before showing you to your accommodation. After a quick refresh, we will be waiting to serve you high tea on the veranda at the main lodge which offers spectacular views over the entire reserve. Here you will meet your guide who will prepare you for your first safari experience offering some useful pointers about the 'do's and don'ts' of the bush. By now you will be eager to board your safari vehicle to explore the magnificent hills and valleys of the Hluhluwe iMfolozi Park.

At sunset your guide will take you to a special spot to enjoy drinks and snacks where after you will travel into the night looking for nocturnal creatures like leopards, owls and jackals either on the dining deck or in the restaurant. When you get back to the lodge you will be given time to freshen up for dinner and then enjoy superb cuisine either on the dining deck or in the restaurant. Sit around the fire late into the night discussing the day's sightings and legendary tales of Africa against a backdrop of a million stars.

2&3: Rhino Ridge Safari Lodge

After an early morning wake-up, fresh coffee, tea and rusks (a South African tradition!), everybody departs with the guides for an early morning game drive. Be sure to have a jacket and scarf as it can get really chilly on the open 4x4 vehicle. Sunscreen, hats and sunglasses will also be needed for later in the day. Nothing is predictable in the bush; therefore each safari offers a potentially new and unique experience.

Our guides will share their wealth of bush experience which involves the identification of animals, trees, grasses, insects and birds. The medicinal uses of plants and local folk lore is also discussed as well as looking for the ever fascinating Big 5!

When you return to the lodge you will be greeted by a hearty brunch. Now it is time for you to relax and imbibe the natural beauty of Rhino Ridge Safari Lodge. You may wish to spend your day being pampered in our spa, do a few laps at the pool or simply relax in the privacy of your room enjoying the endless views from your private balcony.

Make sure you are back in time for high tea and the evening game drive. Hopefully this time you will spot all those other animals still on your bucket list. On returning to the lodge you will have time to freshen up before coming through for a delicious dinner.

4: Kosi Forest Lodge iSimangaliso Wetland Park

After an early morning game drive and brunch it will be time to bid farewell to Rhino Ridge Safari Lodge and wind your way out of Hluhluwe iMfolozi Park back to the main road travelling north to the vibrant African town of Manguzi. For those of you travelling in a 2x4 vehicle you will be met in Manguzi by a member of staff from Kosi Forest Lodge who will transfer you to the lodge in an open 4x4 vehicle. This is a quick 20 minute crossing but always be sure to keep a warm jacket and hat for these trips.

Kosi Forest Lodge is situated in the Kosi Bay Nature Reserve. This 20-bed wilderness lodge offers the unique opportunity of exploring a pristine wetland environment by vehicle, guided canoes and boats. The Kosi Lakes are a series of interconnected lakes which stretch over some 18km. The best way to see the system is by boat. The full day excursion leaves shortly after breakfast and travels through the lake system and estuarine waterways. The guides stop along the way and explain the traditional fishing traps and the traditions of the Tsonga community, who live in balance with the lake system. A picnic lunch is served on the banks of the scenic lakeside. After your meal, you will continue on to Bhanga Nek beach where you can enjoy one last swim before heading back to the lodge.

SCUBA diving at Mabibi is phenomenal. Our professional lodge diving team can accommodate enthusiasts, from the beginner to the veteran. For those who don't dive, we have an Open Ocean Experience. An exciting launch through the surf in front of the lodge takes you beyond the breakers to a world of dolphins, whales and many other creatures. The warm Indian Ocean supports a myriad of fish and marine life. Guests can sometimes swim with dolphins or whale sharks, or snorkel with Manta rays and giant turtles. In summer there are nocturnal walks and drives along the beach in search of pre-historic turtles laying their eggs.

Witness the culmination of an incredible journey as giant Leatherback and Loggerhead turtles come ashore to lay their eggs in carefully prepared nests. Turtle tracking is offered in the evening from November to end of February. Every precaution is taken to ensure these magnificent creatures are not disturbed during the laying process and data collected from the turtle drives is submitted to the Ezemvelo Turtle Monitoring program.
