1&2: Isibindi Zulu Lodge Battlefields, Kwa Zulu Natal

Isibindi Zulu Lodge is a 4 hour drive from King Shaka International Airport – Durban. You will travel towards Durban and then head west on the N2 highway passing the city of Pietermaritzburg, historical capital of the Province of Natal before passing through the Midlands and then leaving the highway at Colenso to wind your way through rural areas getting deeper into the heart of Zululand.

Isibindi Zulu Lodge is situated within the 2,000 hectare Isibindi Eco-Reserve which offers diverse habitats ranging from montane grassland and valley thornveld to riverine forests. The reserve is home to abundant plains game. Morning and evening game drives are offered and there is excellent bird watching. It is also safe to walk or take a picnic along one of the meandering river beds and view Giraffe, Zebra, Wildebeest and various antelope.

This 12 bed lodge is a peaceful, bushveld retreat with accommodation designed in an architectural celebration of the Zulu nation and offers a host of activities for those wanting to experience a combination of game viewing, Zulu culture and the Anglo-Zulu Battlefields.

The lodge is a stone's throw away from the historically momentous Anglo-Zulu battlefields of Isandlwana and Rorke's Drift. Half day and full day battlefield tours start at Isandlwana, where the greatest defeat in British colonial history took place. The events of Rorke's Drift (the battle proceeded from Isandlwana to Rorke's Drift later in the day) are described, as well as a short tour of the museum.

Panoramic tours into the heart of Zululand are also offered giving guests the opportunity to visit Zulu homesteads, a Sangoma (traditional healer) and various other places of beauty and historical significance.

Early morning and evening game drives as well as guided walks are available. Being a small and intimate venue our management team is able to tailor activities to suit your individual needs.

On your second night just as the sun starts setting you are led down a narrow path to the beat of drums. As you emerge into a clearing coming across a historical Zulu umuzi (village) the dancing bodies of Zulu children make for a profound experience.

The traditional dances and singing and their role in Zulu history and culture is explained amid the energetic displays. This is followed by a traditional Zulu meal served under the stars

3: Rhino Ridge Safari Lodge Hluhluwe iMfolozi Park

After enjoying a hearty breakfast you will bid farewell to the friendly staff of Isibindi Zulu Lodge and make your way through rural Zululand passing the majestic sphinx like Isandlwana Mountain on your way to Hluhluwe iMfolozi Park, home of White Rhino Conservation.

Rhino Ridge Safari Lodge is situated on the western boundary in the first private concession of Africa's oldest proclaimed Game Reserve Hluhluwe iMfolozi Park, Northern KwaZulu Natal. Rhino Ridge Safari Lodge is the only private lodge within the park. With its four star accommodation, guests are offered spectacular scenery and excellent safari opportunities within the heart of Big 5 territory.

On arrival at Rhino Ridge Safari Lodge you will be greeted by a refreshing drink and welcomed by our friendly team who will give you a short orientation of the lodge and its facilities before showing you to your accommodation. After a quick refresh we will be waiting to serve you high tea on the veranda at the main lodge which offers spectacular views over the entire reserve. Here you will meet your guide who will prepare you for your first safari experience offering some useful pointers about the 'do's and don'ts' of the bush.

4 & 5: Rhino Ridge Safari Lodge Hluhluwe iMfolozi Park

By now you will be eager to board your safari vehicle to explore the magnificent hills and valleys of the Hluhluwe iMfolozi Park. At sunset your guide will take you to a special spot to enjoy drinks and snacks after which you will travel into the dark looking for nocturnal creatures like leopards, owls and jackals. When you get back to the lodge you will be given time to freshen up for dinner and then enjoy superb cuisine either on the dining deck or in the restaurant. Sit around the fire late into the night discussing the day's sightings and legendary tales of Africa against a backdrop of a million stars.

After an early morning wake-up, fresh coffee, tea and rusks (a South African tradition!), everybody departs with the guides for an early morning game drive. Be sure to have a jacket and scarf as it can get really chilly on the open 4x4 vehicle. Sunscreen, hats and sunglasses will also be needed for later in the day. Nothing is predictable in the bush, therefore each safari offers a potentially new and unique experience. Our guides will share their wealth of bush experience which involves the identification of animals, trees, grasses, insects and birds. The medicinal uses of plants and local folk lore are discussed, as well as looking for the ever fascinating Big 5!

When you return to the lodge you will be greeted by a hearty brunch. Now it is time for you to relax and imbibe the natural beauty of Rhino Ridge Safari Lodge. You may wish to spend your day being pampered in our spa, or do a few laps at the pool or simply relax in the privacy of your room enjoying the endless views from your private balcony.

6: Kosi Forest Lodge iSimangaliso Wetland Park

After an early morning game drive and brunch it will be time to bid farewell to Rhino Ridge Safari Lodge and wind your way out of Hluhluwe iMfolozi Park back to the main road travelling north to the vibrant African town of Manguzi.

For those of you travelling in a 2x4 vehicle you will be met in Manguzi by a member of staff from Kosi Forest Lodge who will transfer you to the lodge in an open 4x4 vehicle. This is a quick 20 minute crossing but always be sure to keep a warm jacket and hat for these trips.

Kosi Forest Lodge is situated in the Kosi Bay Nature Reserve which is part of the iSimangaliso Wetland Park proclaimed a Unesco World Heritage site. This 20-bed wilderness lodge offers the unique opportunity of exploring a pristine wetland environment by vehicle, guided canoes and boats.

The Kosi Lakes are a series of interconnected lakes which stretch over some 18km. The best way to see the system is by boat. The full day excursion leaves shortly after breakfast and travels through the lake system and estuarine waterways. The guides stop along the way and explain the traditional shing traps and the traditions of the Tsonga community who live in balance with the lake system.

A picnic lunch is served on the banks of the scenic lakeside. After your meal, you will continue on to Bhanga Nek beach where you can enjoy one last swim before heading back to the lodge.

Kosi Forest Lodge guests are accommodated in thatched bedrooms, on raised wooden decks, hidden in the sand forest. There is no electricity, but that's part of the charm! All beds have mosquito nets.

The unique open-air, reed enclosed bathrooms with the bath and shower sunk into white forest sand, have been noted by many guests as one of the highlights of their stay. Each room has an indoor shower as well to cater for the less adventurous.

On arrival you will be shown your bush suite and given time to unpack before embarking on your first activity. You will return to the lodge and freshen up before coming through to the dining deck to enjoy dinner.

Guides escort you by canoe along the Sihadla channel where the bird life is very rewarding and the scenery peaceful and breath taking.

You will return for a delicious lunch and a siesta before embarking on your afternoon activity.

In the afternoon you can enjoy a walk through magnificent Raffia Palms – the tallest in the world! Home to the Palm Nut Vulture and Pel's Fishing Owl. The area can be explored by birders at their leisure.

When you return from your afternoon activity you will have time to freshen up before coming through to enjoy a delicious meal on either the main deck or in the Boma. SCUBA diving at Mabibi is phenomenal. Our professional lodge diving team can accommodate enthusiasts, from the beginner to the veteran.

For those who don't dive, we have an Open Ocean Experience. An exciting launch through the surf in front of the lodge takes you beyond the breakers to a world of dolphins, whales and other creatures.

The warm Indian Ocean supports a myriad of fish and marine life. Guests can sometimes swim with dolphins or whale sharks, or snorkel with Manta rays and giant turtles. In summer there are nocturnal walks and drives along the beach in search of pre-historic turtles laying their eggs. Witness the culmination of an incredible journey as giant Leatherback and Loggerhead turtles come ashore to lay their eggs in carefully prepared nests.

Turtle tracking is offered in the evening from November to end of February. The turtles lay their eggs from November to January. Hatchlings arrive from end December to end of February.

Every precaution is taken to ensure these magnificent creatures are not disturbed during the laying process and data collected from the turtle drives is submitted to the Ezemvelo Turtle Monitoring program.
